Information Available on Community and Amenities

Ponte Vedra, Fla. (June 29, 2010) – The PARC Group, master developer of Nocatee, has announced the opening of the new Nocatee Welcome Center where area residents, homebuyers and retailers can get all of the latest information on the new Ponte Vedra community.

Located at Crosswater Hall adjacent to the Nocatee Splash Water Park, the Welcome Center offers visual displays of everything within Nocatee, including residential communities, Town Center, schools and the recreation amenities. “We have already enjoyed a great response to the Welcome Center”, said Rick Ray, Managing Partner with The PARC Group. “It provides us an opportunity to personally share the vision of Nocatee and to answer questions about every aspect of the community”.

The Welcome center staff is available six days a week to answer questions and provide visitors with maps, brochures, flyers and an overview of the community’s builders and products.

The Center has several seating areas, multiple display tables, a fireplace and a large flat-screen TV featuring a photo collage of resident activities. It also includes a children’s play area and a refreshment bar in a comfortable home-like atmosphere that overlooks the community’s signature amenity, the Splash Water Park.

Area Realtors can use the Welcome Center for after-hours events and activities, along with a private conference room that will also be available for use by agents and their clients during regular business hours.

Nocatee’s Welcome Center is open Tuesday through Saturday from 10 a.m. to 6 p.m. and on Sundays from 12 to 5 p.m. To learn more about life in Nocatee, call 1-800-Nocatee or visit www.Nocatee.com.
